

## **HOMESCHOOL HAPPINESS RULES!**

**We're a team dedicated to learning, trying new things, working hard, and having fun! We know that sometimes learning is easy and other times it's challenging, but we come to the classroom ready for BOTH! We always come to our classroom ready to learn, listen, and love.**

We work hard.

We listen.

We bravely try new things.

We ask for help, and accept it with gratitude.

We share our feelings.

We are kind and practice empathy.

We work together.

We practice patience.

We love creativity.

We encourage each other.

We say I'm sorry when we need to.

We give hugs when they're needed.

We do our best.

We treat each other the way we want to be treated.

When we do these together well we feel GREAT and have a good time!

When we aren't able to do these things, we'll be asked to leave the classroom and come back when we're ready to learn and follow the rules! If we're asked to leave a second time we'll have to skip the lesson and make it up another time.
